

Where Home
and Better Care
Come Together

A Dementia
Care Residence

We anticipate your needs.

Because we are small (unlike traditional facilities with 50-300 seniors), our nurturing caregivers are ready to anticipate the needs of our residents and assist them in a comfortable and supportive environment.

Fulfilling our mission.

Our superior 3:1 caregiver ratio allows us to fulfill our mission...promoting independence with patience, kindness and, above all, compassion.

Our flagship home is dedicated to my loving and most caring mother, Virginia.

Why we love what we do

Welcome to The Virginia House! Located on the Peninsula near the Warwick Yacht and Country Club, The Virginia House is proud to offer an entirely new, and refreshing, approach to senior care.

At The Virginia House, we believe where you live should feel like home; and when it comes to caring for our seniors, smaller is better.

Guided by these two principles and inspired by a mother's love for her family, The Virginia House was created.

Our 3:1 Difference

The Virginia House staff takes great pride in offering our seniors who need help with most aspects of daily living, including memory care, a truly better choice.

Unlike typical facilities with their lavish entrances yet minimum standard of care requirements (typically a 12:1 senior-to-caregiver ratio), The Virginia House offers a warm and welcoming upscale home with a superior 3:1 standard of care ratio.

“At The Virginia House, we believe where you live should feel like home!”

We keep it simple and honest.

At The Virginia House, there are no long-term contracts, no exorbitant entrance fees, no community fees and no application fee. And, no need to worry, we provide... “whatever you need.”

We are committed.

We are committed to helping our seniors age in place, including hospice, while making these precious years fulfilling and enjoyable. And we do all this through our passionate pursuit of excellent care and service.

Our beautiful, newly remodeled ranch-style home is nestled within the pines of the Maxwell Gardens community.
